“ 100% Cabernet Sauvignon brought up in 100% new Taransaud French oak barrels brings this wonderful expression of Paso Robles to life. This wine is slightly denser than years past with a glowing freshness that keeps the wine leaping from the glass. Notes of cassis, leafy herbs, cedarwood and tobacco with just the right amount of herbal and fresh grass aromas to make sure you know this is Cabernet. Ripe tannins and a long finish round out this brilliant expression. This wine should develop easily for 15+ years.”
