ROSÉ

Paso Robles, Ca | Geneseo District AVA | 13.9% ABV

VINEYARD:	Sculpterra "Bentley Block" & "El Libro"
HARVEST DATE:	Oct 7-14, 2016
ELEVAGE:	6 Months 100% New French Oak - Taransaud Tonnellerie For Cabernet Sauvignon, 6 Months Stainless Tank for Grenache6 Months Stainless Tank for Grenache
BLEND:	47.5% Cabernet Sauvignon Rosé, 47.5% Grenache Rosé, 5% Grenache

"We set out to do something different... and we succeeded. Our 47.5% Grenache Rosé, 47.5% Cabernet Sauvignon Rosé, 5% Grenache blend is something unique, not a classic "summer wine" that one leaves to drown in an ice bucket. Created in the classic Saignée method, this beautiful wine displays all the apricot florals and white stone fruit notes associated with Rosé, but overlayed with the structure and punch of a Cabernet Sauvignon. This is a connoisseur's Rosé. We knew we hit the right blend right away, but unfortunately it meant being able to produce only a VERY small amount of bottles. If you're lucky enough to be able to acquire some, don't miss the opportunity."

- Dusty Nabor, Winemaker

Dusty Nabor Wines is a project born out of passion for producing site specific, terroir driven California wines. Our singular focus is crafting wines of distinction. Sourcing fruit from premier vineyards in Paso Robles, Santa Ynez and the Santa Rita Hills, we strive to create wines that express their place and vintage.
